Somesh Rahul
Lead Product Manager - Emerging Tech
Walmart Global Tech

Dear Somesh,

It is with great pleasure that I invite you to join the Advisory Board for the Customer Experience Program at University of North Dakota. Membership on the Board is by invitation only and is based upon your personal and professional accomplishments. The Board is comprised of a diverse, innovative, and extremely well-connected network of top executives.

Board members make a number of contributions to the program, including:

1. Preserving and enhancing the reputation and quality of the program through strategic review of our executive education noncredit courses to the community, as well as helping to build our value to the business community.
2. Offering expert guidance to our faculty and students through occasional classroom visits, forums and conferences, and input on our programs.
3. Promoting the program's goal of linking industry with academia to help ensure that our work is relevant and benefits the business community.

As a member of the Advisory Board, you'll be asked to (please initial next to each opportunity):

- Attend three virtual Board meetings per year.
- Provide feedback on program's effectiveness.
- Register yourself or a colleague for the class (with Board discount).
- Participate as a speaker, mentor, or webinar host (optional).

I hope that you will accept our invitation and look forward to working with you. Please feel free to contact me if you have any questions or would like to discuss further.

Best regards,

ACCEPTED:

Dana Lockwood
